

FixRim Mobile Wheel Repair, a Franchise for All Economic Climates, Joins Franchise Solutions

By Pam Gold, Franchise Solutions

Dated: Jan 26, 2009

The FixRim Mobile Wheel Repair Franchise, Offers Prospective Franchisees a Potentially Lucrative Business Option in All Economic Climates.

Franchise Solutions, a leading franchise and business buying information website, announced today that FixRim, a unique mobile alloy wheel repair service provider in the steady automotive aftermarket industry, has joined its client roster. Through a network of franchisees, FixRim mobile wheel repair franchise (http://www.franchisesolutions.com/franchise/Fix_Rim.cfm) provides automobile owners with a convenient and affordable solution for their damaged wheels.

Potholes, construction zones and curbs can wreak havoc on automobile wheels. Eighty-five percent of all cars and trucks being produced today have alloy wheels which typically cost \$400 or more to replace. The concept enables consumers on a tight budget to have their damaged wheels repaired so they do not have to purchase new ones, which can be extremely costly. The convenience of having FixRim come to the consumer has also significantly increased the demand for the company's services.

For prospective franchise owners, previous automotive or business ownership experience is not necessary to purchase a FixRim franchise. The concept offers new franchise owners full training, comprehensive support, marketing programs, and a proven business system. Franchisees receive all the tools they'll need to open the doors to their recession-resistant business, including a state-of-the-art mobile repair shop van and the backing of the company's fully equipped remanufacturing center with over 30,000 wheels in stock. .

This automotive franchise (http://www.franchisesolutions.com/automotive_appearance_repair_accessories_franchises.cfm) offers prospective franchisees a recession-proof business that caters to the growing needs of today's busy consumers. Not only does the business offer a service which saves consumers money, but it also helps them save time by working on their vehicle at their home or office. The combination has proven itself and to keep up with the high market demand, the company is currently looking for new franchisees to join them throughout the country.

More information regarding FixRim, as well as hundreds of additional franchise and business opportunities can be found on Franchise Solutions' website (<http://www.franchisesolutions.com/>). The website also features the latest business ownership news, articles about franchising, tools to connect with companies of interest, as well as resources which a prospective business owner may need. Additionally and most importantly, Franchise Solutions' website enables future entrepreneurs to explore the over 90 industries which offer franchises and business opportunities for sale without any pressure to purchase a business.

###
