Franchise Solutions' franchise directory will now feature The UPS Store, the world's largest retail shipping, postal and business service center franchise.

Franchise Solutions, a leading franchise and business buying information website, announced today that The UPS Store, a top-ranked postal and business services franchise, has joined its client roster. The UPS Store (http://www.franchisesolutions.com/franchise/UPS_Store_The.cfm) operates franchised retail locations which provide shipping and business services to corporate customers and consumers. Demand for the well-known company's time saving services continues to rise as more companies outsource their printing and shipping needs.

The growth in online shopping and auction sites (http://www.franchisesolutions.com/internet_franchises.cfm) is creating increased demand for The UPS Store's packing and shipping services. In addition to offering convenient services that busy, on-the-go consumers need, The UPS Store franchises also serve a large audience of corporate "road warriors". Copying, printing, faxing and notary services are among the business solutions that UPS Stores offer to corporate clients and consumers alike. The versatile, one-stop-shopping nature of The UPS Store gives franchisees the advantage of owning a business with mass appeal.

The UPS Store offers prospective franchisees the opportunity to own an award-winning business system with tremendous brand recognition. Entrepreneur magazine consistently recognizes The UPS Store franchise system in their annual "Franchise 500" list. In 2009, Entrepreneur ranked The UPS Store #8 among all franchise opportunities and #1 in the postal and business services category for the 19th consecutive year.

In addition to owning a franchise with a proven business model, UPS Store franchisees also benefit from the company's powerful branding efforts. The company's rich tradition of award-winning marketing and public relations campaigns reinforces the brand's image and increases consumer awareness of their products and services.

The UPS Store's world class support system provides franchisees with marketing tools, comprehensive training and site selection assistance. Financial assistance is also available for newly qualified franchisees. In addition, company representatives will guide franchisees through operational procedures, marketing techniques, and provide on-going support.

More information regarding The UPS Store, as well as hundreds of additional franchise and business opportunities can be found on Franchise Solutions' website (<http://www.franchisesolutions.com/>). The website also features the latest business ownership news, articles about franchising, tools to connect with companies of interest, as well as resources which a prospective business owner may need. Additionally and most importantly, Franchise Solutions enables future entrepreneurs to explore the over 90 industries which offer franchises and business opportunities for sale without any pressure to purchase a business.
