The Golden Heart League is Cultural Care's prestigious group, whose members include the top 3% of local coordinators throughout the country

Dr. Sharon Thomas-Parker of Phoenix, Maryland, a local childcare coordinator for Cultural Care Au Pair for over 18 years, was recently selected to become a member of the Golden Heart League. The Golden Heart League is Cultural Care's prestigious group, whose members include the top 3% of local coordinators throughout the country. Dr. Thomas-Parker is one of nineteen of Cultural Care's 600 local coordinators who qualified for membership in the Golden Heart League for 2009.

As a local childcare coordinator, Dr. Thomas-Parker supports families who are currently hosting an au pair in their home, as well as the au pairs themselves. Dr. Thomas-Parker earned her membership in Cultural Care's Golden Heart League by expanding the au pair program throughout the area in the year of 2008. The members of this elite group also possess high standards, provide excellent service to their families and au pairs, and push for growth. As a member the Golden Heart League, Dr. Thomas-Parker just returned from a trip to Cape Cod, MA where she attended the "Meeting of the Minds" and was honored for her third year in this prestigious group.

"It is an extreme honor to be among this select group," said Dr. Thomas-Parker. Dr. Thomas-Parker will travel to Ireland this coming year and looks forward to introducing the program to more Maryland area families looking for flexible, affordable childcare.
