

## Free Pregnancy Tests Offered at Berwyn, IL Center

*Home pregnancy tests are not always accurate, sometimes giving false positive or false negative results. Women in Berwyn, North Riverside and other Illinois communities can come to WomanCare Services in Berwyn for a high-quality pregnancy test.*

**Feb. 10, 2009** - [PRLog](#) -- Women in the western Chicago suburbs who have purchased a home pregnancy test at a pharmacy or discount store would be helped to know that these tests are not always accurate. They may give a false positive or false negative result, says a Berwyn, IL pregnancy center.

It's very important to have a high-quality pregnancy test for the most accurate results. The tests done by WomanCare, in Berwyn, IL can show positive results as early as ten days after conception. However, for the most accurate results it is recommended that women come in for a test after they have missed their menstrual period by at least two or three days.

Free pregnancy tests can be done for women in Cicero, Stickney, North Riverside, Maywood, Forest Park and Oak Park or surrounding communities in Illinois for those who come into WomanCare Services center in Berwyn.
