Animal Communicator Maureen Harmony of Animal Translations is offering her mini-primer, "Communicate With Animals: 10 Tips on How to Do It Yourself," to animal lovers as a special Valentine's Day gift.

As a special Valentine's Day gift to animal caretakers and their creature companions, Animal Communicator Maureen Harmony of Animal Translations is offering her tip sheet, "How to Communicate with Animals," free to anyone who requests it.

In announcing the offer, Ms. Harmony said, "People are endlessly curious about what their animals are thinking. As an animal communicator, I use telepathy to transmit and receive messages from animals about an almost infinite variety of subjects. I always encourage my clients to 'Believe, Be Open, and Be Willing to Be Surprised,' about what their animals can tell them. My '10 Tips' will help people to begin to develop their own telepathic abilities, and to discover what it takes for them to really hear what their animals are saying."

"Communicate With Animals: 10 Tips on How to Do It Yourself," is available as a free mini-primer by contacting Maureen Harmony of Animal Translations <http://www.animaltranslations.com> at: MHarmony@AnimalTranslations.com.
