

## **REO Specialist, Frank Patrick, Provides Nationwide Opportunity For Contractors to Trash Out**

*Frank Patrick, Property Preservation and REO Specialist, founded REO ResQ to provide opportunities for contractors across the country to “clean up” by cleaning out bank owned foreclosed properties.*

**Feb. 17, 2009** - [PRLog](#) -- Frank Patrick is considered one of the country's top property preservation contractors and REO broker, and currently is at the helm of a property preservation company, REO ResQ™. REO ResQ™ provides securing, trash out, maid service, lawn care, and swimming pool service of bank owned foreclosed properties.

With the current state of the housing market, banks and financial institutions are finding that repairing and renovating REO properties can be a daunting task. REO ResQ™ provides these companies with the services they need to get their REO properties in “sellable” shape.

Frank Patrick said, "The next 5 years will be fantastic for REO agents, REO brokers and property preservation or “trash out” contractors who have positioned themselves to be the service provider of choice for banks with foreclosed properties to maintain and sell."

Patrick is the founder of the American Society of REO Specialists™ (ASREOS), and was recently featured in USA Today in a full-page color spotlight as a member of America's PremierExperts™. Frank was chosen for this honor for his expertise and success in the REO sales and property preservation industry.

### About Frank Patrick:

Frank Patrick began his real estate career in 2000 after a 12-year stint in corporate America as a sales manager. As a new real estate agent Frank knew that he wanted to find a niche within the real estate industry. After months of research Frank decided to specialize in REO, an acronym for bank owned foreclosed homes. Frank quickly became one of the top REO agents in the nation averaging over 100 transactions per year for the last 8 years. In 2007 Frank's production soared to over 214 sales.

In 2004 Frank and his brother Scott Patrick started a property preservation company to offer maintenance and repair services to banks with foreclosed homes. Frank's solid understanding of the REO industry and Scott's 20+ years in the construction business was a recipe for success. This year their property preservation business is on track to gross over one million dollars in revenue. Today Frank manages his REO Real Estate Brokerage, REO Renegades an REO agent training business, his trade association The American Society of REO Specialists and is developing a national Franchise Property Preservation company, REO ResQ.
