There is a new warm and smooth tropical breeze blowing into Manitoba this winter. It is called Cuca Fresca Premium Cacahca, Brazil's Smoothest Export. Made with organic sugar cane, pure rain forest water and generations old cacahca recipe, Cuca Fresca is South America's most refreshing rum. Cuca Fresca Cacahca has become the United States most sought after base for any outstanding cocktail. Spirit Critics across the world cannot praise Cuca Fresca enough for its fresh taste and tropical aura. It has been awarded 90 points by The Beverage Tasting Institute. It has been poured at the Playboy mansion Halloween ball and can be found in America and Europe's swankiest clubs. Cuca Fresca Cacahca is a winner for its quality and taste as well as its price. So drop into your local MLCC store and ask for A Cuca Fresca and explore
