

## South Florida Kitchen Cabinet Maker Launches New Website

*South Florida Kitchen Cabinet Maker Launches New Website to keep up with its continued growth in the South Florida market.*

**March 13, 2009** - [PRLog](#) -- South Florida kitchen cabinet maker, Indian River Cabinets, has been in the kitchen cabinet business for over ten years in the same location. The same went for their main website, [www.IndianRiverCabinets.com](http://www.IndianRiverCabinets.com). During that time, Indian River Cabinets has grown to become one of the largest and most respected custom cabinet makers in the State of Florida that specializes in kitchen and bathroom cabinets, countertops, and other accessories for the kitchen and bathroom.

With this growth, the company had recently decided to give its main corporate website a face lift with some much needed up-to-date information. One of the key features that needed updating was a new photo gallery that displays customers' kitchen cabinets that were recently completed. With the assistance of Galt Mile Media, this new website will be constantly evolving to add more unique features to the site that will benefit its customers.

### The Best Choice in Custom Kitchen Cabinets and Countertops

Many South Florida customers have already benefited from installing kitchen cabinets featuring Silestone from Indian River Cabinets and Silestone of South Florida. Silestone is a natural quartz surface. The pure quartz in Silestone gives it the crystalline depth of color and unparalleled durability, beauty, and strength. This makes Silestone ideal for those high traffic and heavy use countertops found in kitchens, bathroom vanities, and tub and shower surrounds.
