

The Beverly Hills Hotel, a five-star hotel, selects Interactive Web Solutions for ecommerce solution

The Beverly Hills Hotel has selected Interactive Web Solutions to design and develop the hotels Signature Shop ecommerce website. The ecommerce website will feature The Beverly Hills Hotel luxury brand products.

March 17, 2009 - [PRLog](#) -- Pasadena, California - The Beverly Hills Hotel has selected Interactive Web Solutions to design and develop the hotels Signature Shop ecommerce website. (<http://www.thebeverlyhillshotel.com>) The ecommerce website will feature The Beverly Hills Hotel luxury brand products. The new ecommerce website will feature Interactive Web Solutions ecommerce website platform with robust and easy to manage content and product manager. Furthermore, the IWS ecommerce platform is search engine friendly and can be optimized to ensure high placements in search engine ranking. The ecommerce website will be launched on April 16, 2009.

The Beverly Hills Hotel is a luxury, five-star hotel, located on Sunset Boulevard in the center of Beverly Hills and surrounded by 12 acres of lush, tropical gardens, exotic flowers, and private walkways. Providing privacy and tranquility in a truly residential setting, The Beverly Hills Hotel is within easy access to the business and entertainment centers of Los Angeles, Century City, Rodeo Drive, and many of the Hollywood studios. The hotel is just a 35-minute drive from Los Angeles International Airport.

Referred to locally as "The Pink Palace" The Beverly Hills Hotel is a place to see and be seen, to catch glimpses of famous faces, or to revel in splendid luxury. What makes The Beverly Hills Hotel stand out is its superlative combination of service, a location that offers guests privacy, yet in the heart of a city, and a refreshed facility that, while faithful to the hotel's architectural and interior design traditions, is more dramatically beautiful than ever.

Interactive Web Solutions IWS (<http://www.iwswebsolutions.com>) has a full-suite of ecommerce web applications to enable your ecommerce website to be highly productive and easy to manage. Our IWS eCommerce web application software is a robust, scalable, and highly customizable platform utilizing the best of the breed development process to enable you to empower your business.
