**March 25, 2009** - [PRLog](#) -- Acura of Peabody announced in early March that customers purchasing a 2009 TL through March 31st will be eligible for a special two payment program. Acura of Peabody will make the first 2 payments up to \$500 per month totaling \$1000 total contribution. They have enhanced the offer by now offering to make the first payment on all other models in the Acura lineup plus include a free remote car starter. This offer will be valid for one day only, March 28, 2009.

“We decided to make the customer’s first payment on all models for this one day only as it now will give the customer choices! Whether they are searching for an MDX or a TSX or an RL...they now have a great deal available to them,” says Joel Avery, General Manager at Acura of Peabody.

Acura of Peabody has low financing and special leases available on all new Acura models. With rates starting at just 2.9% and lease prices starting at \$299 per month, now is the opportunity for shoppers to take hold of this special, one day opportunity.

For an even greater punch, the dealership is offering customers the opportunity to win a weekend getaway in Stowe, Vermont. There is no purchase necessary and all it takes is a visit to the Peabody area Acura dealership to register.
