Another MOS design at Vision-strike-Wear.Com...The 2111

At the request of a Marine 2111 we thought a great idea to create the 2111 Small Arms Repairer MOS design. We love to receive requests like this and when we can we will produce a unique design for Marines such as this one.

Found at <http://www.vision-strike-wear.com/maco21smarre.html> you can see the detail and hard core edgy look this design carries.

If you have a design request or would like some information for a unit design please contact us at orders@vision-strike-wear.com

Some great designs for Marines, their families and friends can be found on the web at Vision-Strike-Wear.Com
