The new, innovative dating site Lovetropolis.com today announces its first Dating and Relationship Expert Feature, a new element that will highlight the savvy and spicy advice of renowned dating and relationship expert Amy Waterman from 000 Relationships Network. Amy's dating and relationship articles, which she is customizing for Lovetropolis.com, will give Lovetropolis.com subscribers access for the first time to the REAL advice and REAL relationship solutions branded by Amy Waterman. Amy Waterman is the creator and co-author of numerous acclaimed e-courses, including How to be Irresistible to Men, Make Every Many Want You More, Conversation Chemistry, Supreme Self-Confidence and From First Dates to Soul Mates.

Lovetropolis.com is going to be offering dating and relationship advice from a cadre of experts. The Dating and Relationship Expert Feature is designed to inform and educate singles about dating and relationships. Amy Waterman's feature in particular will include featured and archived articles filled with tips and advice geared to online daters and designed to give them the confidence to know what to do and what to say in every possible romantic situation. Additionally, Lovetropolis.com members will be able to preview and purchase a variety of Amy Waterman's relevant e-courses from her feature page.

"Lovetropolis.com is proud to be partnering with an industry expert the caliber of Amy Waterman," said Michael Lombard, chief executive officer of Lovetropolis.com. "Her special brand of advice is going to empower our members to be more successful in connecting with one another and in achieving lasting success in their dating and love lives."

Beginning this month, Lovetropolis.com members can read Amy Waterman's featured articles. The article for December will help them create an online dating profile that will stand out from the crowd.

"If you're not online, you're not dating!" Waterman says. "I love online dating, and I believe that every single person out there who considers themselves 'seriously looking' for that special someone needs to be networking online. I've met dozens of incredible men online, many of whom are now close friends, and I'd recommend it to anyone!"

Future articles by Amy Waterman that will be featured on Lovetropolis.com will provide practical advice about topics such as maintaining honesty in your online dating profile and the importance of selecting the perfect profile picture.

The advice of Amy Waterman and other dating and relationship experts who will collaborate with Lovetropolis.com is designed to help singles understand and navigate the intricacies of establishing a connection, building romance and maintaining a loving relationship. Additionally, readers of the advice found exclusively at Lovetropolis.com will benefit from Amy Waterman's signature tips and advice for managing common relationship problems.

Regarding her collaboration with Lovetropolis.com, Waterman says, "Lovetropolis.com offers a lot of

features that more mainstream dating sites don't, including live chat and the opportunity to add videos or a blog to your profile." She states, Lovetropolis.com is "a stellar example of creating an online community around a shared interest."

Amy Waterman's advice, which is based on the latest research and collaboration with other industry leaders, is available at [www.Lovetropolis.com](http://www.Lovetropolis.com) and, at this time, is included in both the free and premium Lovetropolis.com subscriptions.
