*Dated: Mar 28, 2009*

*AppTOKYO, a collaboration between three of Japan's most influential entertainment and software companies, has developed a new iPhone application called "Happy Birthday Cake" available at the iTunes App Store or through the AppTOKYO website.*

AppTOKYO\* has developed a new iPhone application called "Happy Birthday Cake" for special celebrations available at the iTunes App Store or through the AppTOKYO website.

Happy birthday cake allows you to enter the birthday boy or girl's name on to the cake. While the song is playing, you can literally blow out the candles on your iPhone screen. Choose from three different settings depending on the occasion: birthday, Christmas, or celebration. You can also choose the number of candles to place on the birthday cake.

Never be without the perfect celebration app!

For more information, you can go to the AppTOKYO website at <http://www.apptokyo.com/us/>.

The entire lineup of AppTOKYO iPhone applications are available now on the website <http://www.apptokyo.com/us/>, from catching a flying sword from a master samurai, counting down to next year's New Years, and exercising your brain with some games of memory and concentration.

\*AppTOKYO is the joint collaboration of WiZ Co., Ltd. (co-creator of the Tamagotchi, the virtual pet launched in 1996 that sold over 70 million units worldwide), epics Inc. . (producer of digital content in such areas as the games field), and Softbank Group, Japan's largest distributor of computer software, peripherals and systems, as well as a major publisher of computer-related magazines and books (Softbank Mobile is the authorized dealer of Apple's iPhone in Japan).
