Property Repair have invested in six 24 hour Edinburgh City Taxis, all of which are fully liveried and have had a massive impact constantly creating huge exposure for the Edinburgh Firm. - The decision to put Taxis on the road was made primarily to inform policyholders in Edinburgh that they have a local point of contact should they experience damage within their homes. Richard O'Donnell, Sole Director at Property Repair believes that not enough people know who to contact in some occasions and end up calling on numerous single trade organisations which inevitably turns out less efficient.

Property Repair's main aim is to minimise the Insurance Claim by handling all Repairs from Inception to Completion, In-House.
