Dated: Apr 11, 2009

Everyone need a little extra income these days and Ideagraph Marketing Company just may have the perfect home based business opportunity for those people with a strong desire but a small or nonexistent bankroll to get started with.

Ideagraph Marketing Company, a Wilmington based company, has announced it's home based business opportunity for individuals who don't have money to get started with a traditional home based business.

Founder Pete Westcott explains "We wanted to provide an opportunity for people that don't have any cash to start a business. Millions of people want to earn a little something extra, but aren't able to get started because they don't have the money to do it."

There are no fees involved and anyone who puts forth the effort will earn something every month. After a few successful months, many people gain traction and want to increase their income further via some of the additional programs Ideagraph has to offer.

People interested in a legitimate home based business opportunity should visit their website at <http://ideagraph.com> or contact Mr. Westcott directly at 978-458-2170.
