Ellie and Bennie, Inc. has launched its website of unique gifts and supplies for pets and the people who love them.

At www.ellieandbennie.com, you will find a wide selection of items including gift baskets for dogs and cats, "Gift of the Month" clubs, eco-friendly products, health and first aid items, memorial candles, seasonal items, and much more! We strive to carry only the finest quality, and the most unique items.

We have recently expanded our inventory of the hilarious Fat Cats Kitty Hoots and Doggy Hoots line. Dogs, cats, and humans are sure to love these funny toys! Our new selection for dogs includes Doggy Hoots 'The Ex', 'Water Bottle Crunchers', 'Floppability Barnyard Bullies', and 'Down on the Farm Mini-Rings'. Our new selection for cats includes Kitty Hoots 'The Incredible Flying Ratateenies', 'Big Mama Slim's Cat Scratchy Boxes', 'Boogie Mats for De Cats', 'Springtime Eeeks', and more!

We have also expanded our selection of SmartyKat and Pooch Planet eco-friendly pet beds. These plush beds are made from EcoRest recycled fiberfill blend. Each of these machine washable beds uses the equivalent of at least eleven 1-liter recycled soda bottles! Now your dogs and cats can relax in style and help the environment at the same time!

www.ellieandbennie.com has dedicated a section to dogs and cats that are in need of forever homes. This very popular section is a constantly changing list of pets that need help. We are always excited to move pets from our "In Need of Forever Homes" section to our "Happy Endings" section! Our site also has pet age calculators, top 10 lists, photo contests, interesting links, and more!

Animals have been and continue to be a significant part of our and our families' lives. Together, we have a combined total of over 29 years as licensed professionals in the veterinary field. We work on a daily basis with many different species of animals, both large and small. Many of our items are geared towards the health and maintenance of your beloved pets, and some of course, are just for fun! Ellie, Bennie, and our many other pets have happily assisted in the selection of our toys and treats!
