LiKailin Contemporary Fine Art is delighted to announce the Grand Opening of its Gallery in Prestbury, Cheshire. The Opening Show, "Moving", is an exhibition of 18 Chinese contemporary painters, sculptors and photographers and opens on 7 May

Over the last year the world has witnessed an emergence of exceptional contemporary art from China and the rest of Asia, which has been stunning audiences with its skill and voice. This is why LiKailin is so delighted to announce the Grand Opening of its new Gallery in Prestbury, Cheshire. Previewing on 7 May, the gallery opens with "Moving", a fabulous exhibition of 18 Chinese contemporary painters, sculptors and photographers.

The opening of the Gallery comes after the whirlwind success that LiKailin has experienced since its move to the UK from Shanghai in 2008. After wowing audiences at the Manchester Buy Art Fair at Urbis in 2008, LiKailin has successfully placed artworks into public, private and corporate collections and has also mounted the first ever solo exhibition outside China for the acclaimed photographic artist Tian Taiquan.

The success seems set to continue. Just one month after the gallery opening in Prestbury, LiKailin will be showing Asian artwork at the highly prestigious ArtAsia Basel 09 in Switzerland – and in the autumn LiKailin has been selected to curate an exhibition of Yang Yongliang's works as part of Asian Art in London.
