Now every political party can improve their vote bank up to 2% around their country & can get more than 10% seats approx. There is no need to invest money in campaigning & advertisement. What a party have to do for us ? Just place our shortcuts on to top govt. websites & see the fact. This concept will starts establishing in their country & when any user of our shortcut press the shortcut of any particular site the logo of our selected party shown to the that visitor. This is self campaigning concept. It costs nothing as compare to other ways of advertisement. Every country has 10 to 15 % net users for different sites. People always looking for shortcut ways to complete their task. There is one fact anybody is not able to assign the shortcuts, inshort nobody & no company can provide this service because atoall have already registered the maximum shortcuts. Big websites companies have multi million of users. We will also place the logo of our selected party along with our shortcut & this logo will shown up to 6 months during the time period of elections. E.g. type in the address bar a shortcut of HindustanTimes.com is hhjjkk.com.

###

Indian boy with shortcuts of google, orkut, yahoo, microsoft. for popular search engine google = gghhjj.Com. for orkut = ookkmm.com. for microsoft = mmjjuu.com. for yahoo = yyhhnn.com. Illiterate can use the internet. Try it. It can earn 36 billions.
