CASHnCHECKS are in the final stages of preparing for their promotional tour for their latest album "One More Night".

CASHnCHECKS has acquired the help of the Patti Arnett Inc. management firm, from Oklahoma City, to get the new album "One More Night" to the fans and handle the entire publicity campaign with the famed Danie Cortese publicity agency. The A&R people are very anxious to get the album to air and Patti Arnett has many plans in the works for the many projects at hand. It will be an exciting time for the famous duet couple Deanna and James with all the many events they have planned for this summer!

There is also a new CASHnCHECKS Fan Club President that will be taking care of all the fan requests with her experienced and capable ability backed by her many years of experience in business management and people skills. Lisa Barnes not only brings to the table a professional and skilled talent that will get the job done and create a pleasing and rewarding experience for the fans, but she is one of CASHnCHECKS biggest fans, having a strong desire to share her love for the Country Music Duet team CASHnCHECKS.

Lisa has many plans for contests, rewards, gifts and giveaways for the fans and members of the CASHnCHECKS Fan Club. The very successful firm of the Patti Arnett Inc. company has so many attributes and acclaims it is difficult to name them all. Suffice it to say that CASHnCHECKS is in very good hands with Patti Arnett at the helm.
