Paul Tompkins remarked that “we are very pleased to announce the launch of our new online presence. Our new site will provide information and articles for clients and their advisors who are seeking information on how to preserve their estate. We also hope to be an added online resource for lawyers, tax accountants and other planners who require information and our insurance advice for their clients.”

Tompkins Insurance Services Ltd. provides advice in all matters relating to life insurance, estate planning, living benefit coverage, employee benefit plans, pensions, life annuities and other insurance related issues. Paul Tompkins is a recognized expert in the use of life insurance and estate planning.

###

Tompkins Insurance Services is a leading authority in Canada on the use of life insurance in the estate planning process. Our experts have been working closely with family-owned businesses and high net worth individuals to assist in meeting their estate liquidity needs. Life insurance, in combination with other innovative planning strategies, can be successfully used to both fund and minimize estate taxes.

Together with the client's accounting and legal advisors, Tompkins Insurance Services serves to complement the estate planning team.
