

Automotive Window Tint Lynnwood, WA

Advanced Sound & Tint is a leader in the automotive industry. You'll find our work is exceptional, fast, and always deliver excellent customer service.

April 30, 2009 - [PRLog](#) -- Mission Statement: www.advancedsoundandtint.com

We want every customer to have the opportunity to experience life and have more fun through sound and tint. Advanced Sound & Tint was founded in 2008 with the goal of helping customers enjoy their cars more and customize their vehicle to tailor their own personality. Our goal isn't being the biggest... we want to be the BEST. To us, this means being a trusted advisor and taking pride in our work and treat your car as if it was our own.

Advanced Sound & Tint

We are a dedicated team with combined shop experience of over 25 years in the business. Car audio, security alarms, and window tinting are our passion. Each of our team members has the creativity, motivation, and certifications necessary to perform any job, whether big or small. Customer loyalty is of utmost importance to us and we strive to deliver great products, honest advice, and excellent customer service. You can trust Advanced Sound & Tint to take care of you, your vehicle, your home, or your business.

Car Audio

We use brands such as Pioneer, Diamond Audio, JL Audio, Sound Stream, JVC, and Parrot. We carry everything from high-end full in-dash navigation systems to very reasonably priced CD head units and even Bluetooth hands-free devices. We can assure you that you will find what you are looking for in our store. Our car audio sales people and installers are experts in consumer mobile electronics. We pride ourselves in consistently providing our customers with a wide variety of products at competitive prices and with fast and friendly service.

Automotive Window Tinting

We carry Llumar and Solar Guard window film. Both of these brands carry a lifetime warranty which protects you against any fading, tearing, or bubbling. Our window tinters take pride in their work and specialize in reliable, long lasting window tint for your automobile, home, or commercial building. We guarantee our work and customer satisfaction is key. We will quote our jobs very reasonably and explain our jobs in understandable terms before we install. Though most installations are performed quickly, you can be assured no shortcuts will be taken. Each window is hand cut to ensure a perfect, custom look every time. Now, with our plotter we can also create and design any custom decal or banner to go with your window tint and make your vehicle really stand out.

Security Alarms

Those who truly care about their automobiles have car alarms. We are car alarm specialists. We carry Viper and AutoPage alarm brands. We also take pride in the cleanliness of our alarm installations. For instance, each of your wires will be neatly secured in its ideal position to ensure its longevity. Placement of your LED "Blinky Light," valet switch, and antenna will be of your preference. In addition, we specialize in remote car starters: to ensure a cozy car when you get to it, two way remotes: so you can see what's going on with your car before you get back to it, and alarm accessories: to make any alarm custom.

HIDs, LEDs, & Custom Tail Lights

HIDs

If you looking for better visibility at night you've come to the right place. We are a factory distributor of HID kits. We carry every application for any vehicle including: cars, vans, suv's, trucks, commercial vehicles, motorcycles, rv's, headlights low beam, hi beam, fog light, and even reverse lights. We can transform your headlights to look clear as daylight.

Custom LED Kits

We offer off road replacement bulbs for just about any application. Change out your factory bulbs for multi-LED ones for brightness and clarity. You can see a huge difference in your car's appearance with some hyper white or any color of your choice LED's. Make your car stand out the of crowd with our custom interior lighting or under car LED kits. Most applications we have in-stock ready to install.

Custom Tail Lights

These make your car look really custom. We can tint them as light or dark as you want. Don't buy expensive replacements tail lights. We specialize in making sure your factory lights look tinted and looking sharp. It will come out glossy and looking like a brand new lens when we're done.

Car Detail

Properly maintaining the appearance of your vehicle, not only guarantees maximum satisfaction while driving for years to come but also ensures maximum resale value. Your extra efforts while owning the vehicle will be well noticed when it comes time to sell. Your mechanic will appreciate a nice clean engine when it comes time for maintenance.

Paint Protection

Everyday driving can kick up rocks, debris, bugs and loose asphalt; damaging your vehicle's beautiful varnish. You can now protect your investment by having a barrier of VentureShield film installed on your vehicle's paint. VentureShield is optically clear, will NOT yellow, and is over 100% more abrasive resistant than the leading competitor's film. All backed up with a LIFETIME WARRANTY. We precut VentureShield to your vehicle's specific make and model ensuring a perfect fit every time. VentureShield is excellent for your vehicle's resale value and easy on maintenance costs.

###

We are a dedicated team with combined shop experience of over 25 years in the business. Car audio, security alarms, and window tinting are our passion. Each of our team members has the creativity, motivation, and certifications necessary to perform any job, whether big or small. Customer loyalty is of utmost importance to us and we strive to deliver great products, honest advice, and excellent customer service. You can trust Advanced Sound & Tint to take care of you, your vehicle, your home, or your business.
