

## **Emergency Preparedness Week (May 3 to May 9, 2009)**

*By E-Safety.ca*

*Dated: May 04, 2009*

*Emergency Preparedness Week in Canada is an annual event that is coordinated by Public Safety Canada, in close collaboration with the provinces and territories and partners.*

Activities are organized across Canada to raise awareness of the importance of having an emergency kit; making an emergency plan; and identifying risks in your area. These three simple steps can help Canadians prepare for all types of emergencies.

Purchase your copy of Family Information Readiness Manager today. This unique software application assists families of all ages and sizes to plan, to prepare and to recover from all types of emergencies. To find out more, visit their web site at <http://www.esafetyca.com>

For only \$19.95, your family will be taking an active role in this annual event. Purchase you licensed copy today, family safety and security is a good investment

###

E-Safety.ca was established in 2003 and is headquartered in Canada, with offices in the United States. F.I.R.M. was developed with the input of medical professionals, int'l charities, EMO's, insurance companies, the DHS, professional family organizers.
