XpressCredit announces its association with East Coast Funding Group of Great Neck, NY.

SYRACUSE, NY – XpressCredit announces its association with East Coast Funding Group of Great Neck, NY. East Coast Funding has adopted XpressCredit’s patent-pending technology, including their Credit Aggregation System (CAS) as well as their Loan Origination System (LOS). Additionally, dealers on the XpressCredit platform will have access to East Coast Funding as a new lending source.

“We’re excited to have this NY lender utilizing our technology to streamline their backend processes. The features and functionality of our platform gives East Coast Funding Group the ability to finance more loans and create additional revenue with less expense.” said XpressCredit Executive Vice President, Mark Louer.

Mike Danzi, President of East Coast Funding Group said, “The XpressCredit platform has been a great tool for opening up additional markets for us and thereby enhancing our profitability. With their responsive technology team, hard filtering processes and auto-decision technology this was an easy choice to make.”
