*Global online community, TalentTrove.com announces its partnership with Michael Kelly Guitars.*

NEW YORK, N.Y., TalentTrove.com, a global online talent community created to help individuals share their talents with the world, has partnered with Michael Kelly Guitars, which is owned by Hanser Music Group.

“I love what TalentTrove is all about,” said Tracy Hoeft, Founder and VP of Marketing for Michael Kelly Guitars. “This world is filled with talented people and it is exciting to see this great venue where those people can get noticed. Michael Kelly Guitars is thrilled to be able to partner with them to create a virtual stage for guitar players specifically to showcase their talent and passion.”

TalentTrove.com and Michael Kelly Guitars designed this partnership to mutually benefit both companies’ users. The partnership raises the level of exposure TalentTrove members receive in their quest to be discovered by bringing in the quality name brand of Michael Kelly Guitars as a sponsor.

“Michael Kelly Guitar’s partnership is a great opportunity for our online community, especially because they have also agreed to sponsor a future contest on our site,” said Jaime McGee, Director of Marketing at TalentTrove.com.
