

Sulumits Retsambew Online Charity

By Fizma Team

Dated: May 15, 2009

Sulumits Retsambew is the new internet buzz word created by NetBuilders owner Will Spencer. Fizma team is putting all its efforts towards online charity. You can support the teams effort with some love given through backlinks.

Online charity is the main aim of the new sulumits retsambew SEO contest. There have been many participants in the contest. The word was derived from webmaster stimulus and this word is currently being used in the SEO Contest conducted by NetBuilders forum. The forum is offering \$1,000 to the first place holder , \$500 to second place hold and a \$250 for thirs price holder. SEO contest. concept is not new and the new feature is charity with an SEO Contest. This idea was originated from Mike Dammann of Firetown and sure he do be there among the top finishers in "sulumits retsambew" contest. SEO contest concept have evolved many years back an d have been popularized by John Scott.

It is now time for the all website optimization masters to start supporting your favorite search engine optimizer in this SEO contest. There will be many people who would love the Fizma Teams effort towards donating the fund for charity purpose. Let us wait and see who will be the real master the charity team members are waiting for the current update of results and the results might just be in favor of the charity team. The charity people deserves nothing less than a victory.

###
