

Stevens-Henager College Adds Bachelor's and Master's Degree in Nursing Administration.

Stevens-Henager College which has been offering Associate's, Bachelor's and Master's Degree in diverse field both online and on-campus since 1891 has added Bachelors and Masters Degree in Nursing Administration to its online degree programs.

May 18, 2009 - [PRLog](#) -- Salt Lake City, UT, – Stevens-Henager College has recently added a Bachelor's and Master's degree in Nursing Administration to its list of online education programs available.

Students interested in the Bachelor's degree in Nursing Administration must possess a HS Diploma/GED and have a valid Registered Nurse license. The Master's program requires a BS degree from an accredited college or university as well as letters of reference. All students need to go through a campus interview if attending the physical school while an online interview is required for online students. Classes start every month so there is no need to wait long for a course to begin. Students must complete the enrollment agreement and go through financial aid to declare how they are financing their education. The college also offers a variety of Student Financial Aid Programs to those who qualify, including their own EduLoan Program which significantly improves the opportunities for students to afford college.

The curriculum of the Bachelor of Science in Nursing Administration includes among its course work - the Healthcare System, Case Management, Research in Nursing Practice, Pathophysiology, Professional Role Development, Theoretical Foundations of Nursing, Health Promotion & Disease Prevention, Health Assessment, Community & Family Health, Psychological Aspects of Illness and Disability, Evidence-Based Nursing, Nursing Management and Leadership, Sociology of Aging, Advanced Interpersonal Communications, Medical Ethics, Human Resource Management, Organization Behavior, and Nursing Informatics. The FastFlex online nursing program will also allow students to complete their Bachelor's degree in as little as 20 months time as compared to the original course duration of 36 months.

The Master of Science in Nursing Administration, in turn marks a higher level of professional knowledge and quality patient care. Graduation with a Master's degree in as little as 15 months is possible through the college's FastFlex online program. The curriculum includes Issues in Managed Care, Health Service Organizations and Management, Health Services Economics, Health Services Financial Management, Health Services Marketing, Outcomes Assessment and Quality Management, Healthcare Information Systems, Legal Considerations in Healthcare, Nursing Administration, Nursing Leadership, Research and Evaluation Methods, and Advanced Nursing Theory.

About Stevens-Henager College

Established in 1891, Stevens-Henager has built up a reputation in training generations of successful graduates over the years as well for being one of the oldest colleges in Utah. It is located over five convenient campuses in Utah and Idaho. Stevens-Henager College is accredited by the Accrediting Commission of Career Schools and Colleges of Technology (ACCSCT), which is recognized by the U.S. Department of Education as a national accrediting agency. Firmly believing in the adage that a degree opens doors that may otherwise be closed, the college propagates the power of a college degree and welcomes all students ranging from recent high school graduates to working adults to retirees. Stevens-Henager College also offers online degree programs for those who want to get a better job, faster.
