

Project Management Training Online PMBOK Fourth Edition-based Online Project Management Training

By John Reiling

Dated: May 21, 2009

Project Management Training Online – pmtrainingonline.com – today announced the addition of 3 PMBOK Fourth Edition PMP certification course bundles, based on the, to its catalog of online project management training.

Project Management Training Online provides web-based, online project management training on any of hundreds of project management topics.

John Reiling, PE, MBA, PMP, President of Project Management Training Online, commented: “This new PMBOK Fourth Edition course bundle for PMP exam prep is a necessary and natural extension to our lineup of online project management training. The new Premium PMP Prep Course Bundle provides our Project Manager clientele with the savings now for buying the full range of PMBOK Fourth Edition-based training for the PMP exam. Each and every PMBOK Fourth Edition-based course will be released as soon as it is ready and not later than the end of June. Of course, PDUs can be earned by current PMPs who take any part of this PMBOK Fourth Edition online project management training.”

Project Management Training Online’s mission is to provide cost effective and time efficient online project management training in a wide variety of topics. Consistent with that mission, this bundles is designed to help to prepare now to pass the PMBOK Fourth Edition PMP July 1 2009 or after, or the CAPM exam August 1 or after. Customers who purchase the PMBOK Fourth Edition online project management training course bundle will automatically see the new courses in their personal list of courses on the Project Management Training Online Learning Portal, as each course becomes available. The PMBOK Fourth Edition exam simulation and PM Prepcast are already available as part of a bundle. See the list of PMBOK Fourth Edition online project management training and the release schedule at the Project Management Training Online web site.

Project Management Professionals (PMPs) who want to try this type of e-learning can try a course for free – and earn PDUs! There are complete free trial courses for both PMBOK Third and Fourth Editions for PMP Exam Prep, CAPM Exam Prep, or PDUs for current PMPs.

Project Management Training Online - www.pmtrainingonline.com, provides an extensive online project management training catalog. In addition to the PMP exam prep training, pmtrainingonline.com also provides an online project management training for PMP PDU options, where Project Management Professionals (PMPs) can expand their skills in hundreds of ways and earn Professional Development Units (PDUs). A complete list of online project management training is available on the Project Management Training Online web site. Content was created by SkillSoft, Mindleaders, and other leading e-learning content providers.
