

#1 Plastic Surgery Procedure? It's breast augmentation in Boca Raton, at Sanctuary Plastic Surgery.

Drs. Jason Pozner, Kurt Wagner and Oscar Ramirez are board-certified plastic surgeons at Sanctuary Plastic Surgery in Boca Raton.

May 26, 2009 - [PRLog](#) -- At the opulent 5,000 square foot facilities at Sanctuary Plastic Surgery, one of the most popular procedures has been breast augmentation. Using mostly silicone implants, patients get to experience a boost in chest size for the first time, or get their old breast augmentation updated with a revision surgery.

How popular is breast augmentation? On a national level, it was the most popular traditional plastic surgery procedure, being performed 355,671 times in 2008 according to the American Society of Aesthetic Plastic Surgeons.

Thanks to their on-site surgical suites at Sanctuary Plastic Surgery, a full range of plastic surgery procedures can be performed there, including abdominoplasty, body lifting, breast augmentation, breast lifts and reductions, liposuction, cosmetic gynecology, laser skin resurfacing, and mandibular facial implants.
