

Fly Away Update Free Downloads for FSX

By Fly Away Simulation

Dated: Jun 01, 2009

One of the web's largest flight simulation portals, Fly Away Simulation has recently updated their download section featuring many new free downloads for Flight Simulator X, part of the Microsoft Flight Simulator Range.

Fly Away Simulation, the web's number one source of flight simulator news, downloads and information for the Microsoft Flight Simulator Range have just updated their download section featuring many new add-ons for the FS range.

The Microsoft flight simulator package has been around for many years, with a great flight sim community following within the millions. Fly Away Simulation have been online for over 8 years providing the latest add-ons and news for the flight sim industry. With emphasis on the Flight Simulator X or FSX package.

Fly Away Simulation offer a bustling flight sim community forum for enthusiastic users, where they can discuss the latest flight sim developments and FS industry news - be it Microsoft Flight Simulator, FlightGear or any of the other Flight Sim packages.

The free fs downloads section at Fly Away Simulation feature many free add-ons for the Flight Simulator package released by Microsoft. They include military aircraft, helicopters, propeller aircraft, scenery and general flight sim utilities.

The flight simulator downloads section at Fly Away Simulation is updated on a regular basis, with the option to subscribe by e-mail to receive the latest fs downloads direct to your inbox as they are added.

The fs download section boasts over 1200 downloads and add-ons for flight simulator x, flight simulator 2004 and previous releases. Each download features a short description and image, so you can preview the free add-on before downloading it.

If you are not willing to purchase a copy of Microsoft Flight Simulator X, there are many free flight simulator packages for download on Fly Away. You can get your hands on a copy of FlightGear, Orbiter (Space Simulator) and others free of charge.
