Kayfield & Co.'s Guitar Legends Show will be performing the music of Zeppelin, Hendrix, VanHalen, Jeff Beck, ZZ Top and More as part of promotion by 103.7 WMGM and The Hard Rock Cafe. The show pays tribute to the music of the great Guitar Legends.

He brought you "Get the Led Out" and now "Ron E. Kayfield" brings to you "Kayfield & Company" and his "Guitar Legends Show" featuring not only the music of Led Zeppelin's Jimmy Page, but also the music of legendary guitarists Jeff Beck, Van Halen, Jimi Hendrix and ZZ Top's Billy Gibbons.

"Kayfield & Co.'s, Guitar Legends" will be performing live on Thurs., June 18th from 9pm to 11pm, at the "HARD ROCK CAFE" in Atlantic City. Our event is hosted by "103.7 THE SHARKS, Rich DeSisto."

This must see Power Trio performance is astounding audiences everywhere. That's right, only three guys are putting out just like the original bands that they are playing. Featured artist are, "Ron E. Kayfield" on guitar & vocals, "Top Kilson" on bass & vocals, and "Bob Jones" on drums. Bob Jones is the son of legendary drummer Ralph Jones of Bill Haley and The Comets.

In 2003, "Ron E. Kayfield" formed the Led Zeppelin tribute band "Get the Led Out". In GTLO, Ron duplicated Jimmy Page's performance right down to the violin bow and theremine, exciting audiences everywhere they performed, selling out such venues as The House of Blues, The Keswick Theater, Sellersville Theater, Colonial Theater and Penns Peak.

Craving versatility, Ron left GTLO in 2006 to form "Kayfield & Company". The "Guitar Legends" tribute show gives him the vehicle to perform the music of legendary guitarist such as Jeff Beck, (his favorite), Van Halen and Jimi Hendrix, to name a few, as well as Jimmy Page's Led Zeppelin. Half their show is dedicated to the music of the great Led Zeppelin!

"Ron E. Kayfield" is also the founding member and original lead guitarist's songwriter for CBS/Chrysalis recording artist "Waysted" who Toured with Ozzy Osbourne, Motley Crue & Ronnie James Dio.
