For over twenty years, Mr. G's has had a Mid-Summer festival presence.

Mr. G's Concessions, known for their Stuffed Pizza'a and Pepperoni Rolls, is a family owned company. They originated in the 1970's in a small grocery store selling Pepperoni Rolls out of their adjoining bakery.

When the family sold the store, they started selling the rolls and pizza at local festivals and events. It has grown into selling elephant ears, corn dogs, freshed squeeze lemonade and shaved ice.

The Giovanni family looks forward to seeing their regular customers again this year, downtown Trenton, Michigan July 10-12, 2009
