

Pornography is Ambushing the Families and Communities

By Robert Robison

Dated: Jun 16, 2009

Approx. 90 percent of children ages 8 to 16 have seen pornography on the Internet. 1 out of 5 adults regularly view pornographic materials. Innergold Counseling Services is holding a free 2 hour symposium on the effects of pornography.

Pornography is Attacking Families and Communities. Innergold Announces Free Symposium For Public.

Lehi, UT, June 20, 2009 – *Approx. 90 percent of children ages 8 to 16 have seen pornography on the Internet. 1 out of 5 adults regularly view pornographic materials. InnerGold Counseling Services is holding a FREE 2 hour symposium on the effects of pornography and to educate families and communities how to avoid its addictive nature.

Gordon Bruin, M.A., L.P.C., a known expert in the sexual addiction treatment field, will be the featured presenter. Mr. Bruin currently works for the Utah County Health Department in the Division of Substance Abuse as a Program Services Manager. Mr. Bruin is the founder of InnerGold Counseling Services, a company helping those with sexual addictions.

The free symposium will be held in Lehi, Utah in Traverse Mountain (2030 W Chapel Ridge Rd.) from 10am to 12 pm on Saturday, June 20th. Mr. Bruin has presented to thousands nation-wide. A common phrase he hears after his presentation is, **“Why hasn’t anyone ever explained things this way before?”**

Mr. Bruin encourages parents, educators, ecclesiastical leaders, and in general anyone interested to attend. For additional information, visit www.innergold.com for a map and to RSVP.
