Long standing Shiloh-Jentech customers have been reaping the benefits of Shiloh-Jentech's newly established relationship with Danwood Printing Solutions.

Long standing Shiloh Jentech customers have been reaping the benefits of Shiloh Jentech's newly established relationship with Danwood Printing Solutions.

Identifying that most businesses are now spending increasing amounts of money on document output costs Shiloh Jentech realised that by partnering with one of the UK's leading print solutions companies a uniquely beneficial service could be offered to their customers.

Shiloh Jentech's customers have been benefiting through the unique print audit service that is now being offered. The print service that is being offered is an in depth analysis that looks at how much it costs your business to print documents in house. The detailed analysis also covers:

- Overview of all print devices present
- Consumable Cost per Page
- Consumables Cost per Page
- Maintenance Cost per Page
- Total Cost per Page
- Monthly Print Cost per Device

To celebrate this new partnership Shiloh Jentech and Danwood are guaranteeing to save your business 20% on its document output costs. If a saving of 20% can't be achieved we guarantee to give you your height in paper or a free digital camera absolutely FREE!!!

Just like Shiloh Jentech Danwood can trace their roots back to the 1970's where fashion, business and IT was vastly different to how it is now. Over the past three decades Shiloh Jentech and Danwood have seen scores of new technologies introduced. From PCs that were ultra expensive and elite to PCs that are relatively inexpensive and small enough to fit inside a handbag. The updates in technology have certainly revolutionised that way in which business is done.
