Qualified for an Offer in Compromise? DWK will tell you during our Initial Consultation.

The IRS will accept an Offer-in-Compromise to settle unpaid accounts for less than the amount owed when there is doubt that the liability can be collected in full and the amount of your OIC reasonably reflects collection potential.

It is important to emphasize, for example, the fact that the Congress told the IRS to have a liberal acceptance policy in processing OIC cases. Our legal memorandum also cites the Congressional tax policy to settle your tax liability to give taxpayers a fresh start.

All the more reason to have highly skilled Tax Attorneys represent you.

We will not accept any Case that will not benefit our client.

OUR FEE FOR AN OIC: \$1,600.00.
