

Make Free Money Winning the Pick 4 Lottery From Oregon, Texas, Maryland To Canada

Robert Walsh proudly announces the tremendous success of his ebook "Play & Win Daily Pick 4 With Big Cash Winning Numbers".

June 21, 2009 - [PRLog](#) -- Robert Walsh proudly announces the tremendous success of his 20 winning and verifiable Pick 4 Lottery Strategies. With Straight and Box Wins in the Pick 4 Lotteries from Texas to New Jersey, Oregon to Maryland, and South Carolina to Canada on a daily basis, Mr. Walsh's ebook is gaining the attention of Pick 4 Players around the country.

Enthusiastic emails from winning buyers of his recently released ebook "Play & Win Daily Pick 4 With Big Cash Winning Numbers" which can be purchased at <http://www.playdailypick4bigmegacashwinningnumbers.com> are sharing their very positive experience, such as the following, "Hi Robert, I just wanted to let you know that since purchasing your 20 strategies on June 3, 2009, six of the numbers that have been drawn in the Maryland Pick 4 Lottery have been picked by your system. They were all under the Ying-Yang Strategy. Thanks for a Great System! P. H...Maryland.

His Strategies' Successes are evident as his recent Newsletter pointed out. The following Pick 4 Lotteries produced at least one STRAIGHT PICK 4 Win during the first 15 days of June. Pick 4 Box wins are more numerous.

His ebook is an easy to follow guide on how to win the Pick 4 Lottery that works in every State or Province that offers this game. His financial strategies lead the reader through a very conservative money management process that provides “Free Money” from his/her State Lottery winnings for investment purposes as well as debt elimination. The author begins with an investment level of \$1 and gradually leads the reader up the eight steps of his “Ladder of Success” to gain Financial Freedom.

In these turmoil economic times where money is tight, Robert Walsh has laid out a practical financial approach where the reader can take charge of his/her own financial planning and not rely on Wall Street investors or corporate 401K plans that may not be there if one’s employer is forced to throw in the towel.

Best of all, he has done all the work for you. Each Chapter/Strategy is filled with easy to follow and well explained examples of Successful Results of Pick 4 Straight Wins. Unlike other Pick 4 Strategies he demonstrates how one Winning Number is connected to the Next Winning Number. He doesn’t lead you through the usual maze of hot numbers, cold numbers, and overdue numbers.

Once the readers spend time learning the strategies on their own time, they, too, begin to understand how Pick 4 numbers are transformed through connecting numbers that occur in every lottery day after day. To make it even easier for everybody purchasing “Play & Win Daily Pick 4 With Big Cash Winning Numbers” to be a Pick 4 Winner, Robert Walsh publishes his one of a kind FREE newsletter which is available with a FREE preview of “Strategy # 13” at <http://www.playdailypick4bigmegacashwinningnumbers.com>.

The newsletter which is published regularly provides readers with helpful tips how to apply the winning strategies and what else to look for to win the Pick 4 Lotto regularly to make free money.

As the author points out a number of times, with one basic \$1 Pick 4 Straight Win of \$5000, one establishes a Free Money Account to start their own investment program.
