Antellus To Offer Summer Discounts on Smashwords Books

Antellus, an independent publisher and seller of science fantasy adventure and nonfiction books on related subjects, has entered a promotional partnership with Smashwords for the summer season.

"We had just signed on with Smashwords when the summer had just begun," author and CEO Theresa M. Moore said. "This will give us an opportunity to slash prices at a time when books are the best entertainment for weary vacationers and travelers."

The discount promotion offers ebooks listed on Smashwords for 25% off the regular price. The promotion starts today and ends July 31, 2009. A discount code has been posted on the Antellus site for customers to pick up and enter when ordering. The ebooks are available in a variety of formats for ereaders, iPhone and iPods.

Antellus offers its print on demand books and ebooks only from its own web site and selling partners, including Lulu, Bards and Sages, Amazon Kindle, Scribd and Smashwords. Antellus also offers a 30 day replacement guarantee on books returned as long as they are returned to the publisher, not the printer. There are no refunds for ebooks.
