Ukraine marriage agency Charming Brides announced new type of tours giving customers a new opportunity to choose the services, which will be the most convenient for them.

Charming Brides marriage agency has worked out new type of tours; due to it the customers have new opportunity to choose the services that will be the most convenient for them.

Administrator of Charming Brides Olga Bulyga tells, "It means that you will make your own tour by yourself. What is more the earlier you make a prepayment the better discount you get.

Summer is the best time for visiting different cities of Ukraine where our ladies live. If you decide to come in July you can make a prepayment 20% of the tour you choose by yourself and get a very nice discount. This discount depends on the amount of days before you coming.

You can get more details visiting <http://www.charmingbrides.com> where you will find a lot of positive and useful information," Olga concludes.
