Animal Communicator Maureen Harmonay of Animal Translations has launched a new program for current clients who refer their friends and family to her for telepathic consultations with their animals

Maureen Harmonay, an Animal Communicator who practices under the name of Animal Translations, has launched a new bonus program for current clients who send their friends and family members to her for animal telepathy sessions. Called "**Send A Friend**," the program rewards existing clients by giving them a virtual \$15 discount voucher, good toward their next consultation, for each referral of a new client who purchases an animal communication session with Maureen.

"My practice has been built on my relationships with satisfied clients," explained Ms. Harmonay, "and I want to show my sincere appreciation for their ongoing support. I believe that animal communication services should be available at a reasonable cost to anyone who wants and needs them, and I hope that my 'Send A Friend' program will enable my clients to use my services more often."

Animal Translations clients who qualify for the \$15 virtual voucher will be notified by Maureen that they can take advantage of the "Send A Friend" reward program by filling out a "Consultation Request Form" at the **Animal Translations** website (<http://www.animaltranslations.com>) and selecting the \$50.00 "followup" option.

The "Send A Friend" program is good through 2009, and there is no limit on the number of referrals a client can make to receive a commensurate number of virtual vouchers.
