Dated: Jul 02, 2009

Right now oceanfront condos are the focus of most buyers of St. Augustine properties for sale. Demand for commercial real estate is at a all time low.

Lower demand means better prices. If you have been thinking of starting a business in St. Augustine or moving to a better location, now may be the time. Prime real estate on A1A and US-1 are available at great prices. The building boom of commercial real estate, investment properties and new condominiums have lead to an over supply of commercial properties for sale. Below is office building located at the corner of A1A Beach Blvd. and "E" street just 500 feet from St. Augustine Beach on two lots. It's a four unit office complex. Each unit is 850 sf., has three rooms and a bathroom. All offices have their own entrance and sign on A1A Beach Blvd. Rich in history and beauty St. Augustine Florida is and excellent place to work and live.
