

Lejon Business Solutions expands into new headquarters.

By Lejon Business Solutions

Dated: Jul 03, 2009

A demand for their highly qualified and innovative Global Business Consultants has prompted Lejon Business Solutions to expand their operation into new corporate headquarters in Boca Raton, Florida.

Boca Raton, FL – In today’s competitive market, business leaders are continually looking for an edge over their competitors. The demand for innovative and forward thinking Business Consultants has prompted a relocation of headquarters for Lejon Business Solutions. Their corporate headquarters will now be located in Boca Raton, Florida, where the new state-of-the-art facility will provide the firm with a larger venue for their continued growth. The Boca Raton facility is centrally located to several major Airports, including Miami International, which is ideal to service their global clientele.

Lejon Business Solutions is a global business consulting firm, with clients throughout North America and Internationally. The impressive credentials of their highly qualified Global Business Consultants include former Fortune 500 Executive’s, C-Level Appointments, and President’s of Successful Start Ups. They have acquired an ability to view business processes, work flow and marketing through a set of eyes that will provide a new vision and path. Lejon’s Business Consultants deliver fresh ideas and practical solutions to internal and external components of a business that will keep them ahead of their competitors in today’s fast paced and ever-changing environment.

Lejon’s move of their headquarters into a larger facility is another of many milestones signifying their success in the business consulting industry. With their continued success, Lejon is forecasting opening an additional international office in South America or Euope in 2010. www.LejonBusinessSolutions.com
