

Bank of America's Loan Modification Program

By Brian Anderson

Dated: Jul 03, 2009

Our company helps those in need to reduce their rate and payments due to financial difficulties and hardships. We can help you modify your loan successfully with any lender nationwide.

Welcome,

On this site, you will now collect a lot of valuable information that you should know as a responsible homeowner.

Bank of America has been the biggest financial institution in the United States offering help to the needful in terms of loan modification plans and government help.

Bank of America also signed up with the federal government for being able to offer the Obama's housing plan and the homeowners stability plan.

Bank of America has so far modified over 50,000 loans as per Wall street Journal.

Kindly contact our friendly loan modification expert at 866-978-6305 for assistance on your loan.

What does Bank of America offer in a loan modification package?

1. Lower fixed rate on the mortgage
2. Lower monthly payments.
3. Adds the late payment with charges on the back of the loan
4. Offers principle reduction if you are upside down
5. Extends the mortgage term

If you are willing to reduce your rate, payments and make the mortgage affordable, kindly contact our friendly staff now.
