

Emergency Money & Cash Assistance

July 7, 2009 - [PRLog](#) -- A new form of lending is now available for people in financial need. We began this form of lending as part of the new economic stimulus. The process of lending is referred to as pink slip loans and it is our goal to get money into the hands of people that need it most ASAP.

The term pink slip loans has originated from a combination of record unemployment rates (employees receiving the pink slip). And also because of the title of the vehicle is referred to as a pink slip title. Hence the name pink slip loan. Our website is www.NeedezMoneyNow.com - we are emergency cash & money lenders and are happy to be of assistance.

Our company currently offers emergency money in Illinois, Missouri, New Mexico, Nevada, Arizona, and California. If people live in any city or town within these States - they can pick up the cash themselves or we can deliver via our mobile notaries.

Studies have shown that in our current economic dilemma, people can't even sell their car on the open market. Usually people that need the money most resort to this as a last case scenario. Unfortunately those that are able to sell can only sell their vehicle for a fraction of the blue book value.

We can lend customers more money than they would receive if they were to sell their car out right. Not to mention, they will also be able to use their car. Amazingly through our many testimonials, we have begun to notice a "rebound effect" in our customers. In which, most of our customers are able to reorganize their lives for the better and get back to the way things use to be. Basically, pink slip loans give people enough stimulus to adapt to the financial times.

Some customers use the money to relocate to a better job market. Some use the money to re-educate.

Others use the money for cash flow issues, such as Real Estate Agents or other independent contractors - simply because their income is more sporadic but abundant enough to pay the loan off in a short period of time.

Whatever the case, www.NeedezMoneyNow.com has become viable option for those in need of emergency money & cash assistance.
