*Nashua Nutrition (www.NashuaNutrition.com) is proud to announce they are now carrying Bariatric Fusion vitamin and mineral supplements designed for weight-loss surgery patients.*

Nashua Nutrition (www.NashuaNutrition.com) is proud to announce they now carry Bariatric Fusion; a vitamin and mineral supplement designed and formulated by a Bariatric Surgical Team to meet the needs of their patients. This chewable supplement provides the highest amounts of what the team believes are the key micronutrients vital for weight-loss surgery patients. The unique, all-inclusive formula uses the most biologically available vitamins and minerals to maximize absorption. Offered in three great-tasting flavors, Bariatric Fusion gives patients their necessary Fuel4Life.

- Custom vitamin and mineral supplement for the adult bariatric patient
- Designed by a team of medical professionals for their patients
- Cost effective—no other supplements needed
- Contains the highest amounts of calcium, B12, biotin, and Vitamin D3
- Vitamin B12 in the most readily available form—methylcobalamin
- All minerals in chelated form for better absorption
- 100% sugar free—sweetened with sucralose
- Contains the most biologically available form of important micronutrients
- No Vitamin K to interfere with anti-coagulants
- A flavor for everyone—orange cream, mixed berry, or strawberry
