

## Discounted Washers and Dryers

*A growing popular washer and dryer review website, now lists discounted used and refurbished Washers and Dryers for sale.*

**July 19, 2009** - [PRLog](#) -- A growing popular washer and dryer review website, now lists discounted used and refurbished Washers and Dryers for sale. New models are listed, but many times a consumer can find equal quality in a refurb or slightly used (or display) washer and dryer, for less than half the price!!

The discounted Washer and dryer website at <http://www.washingmachinesreviews.com> will allow others to list washers and dryers for sell as well, in addition to their own inventory. Many times the shipping costs directly to your home, are comparable (and sometimes cheaper) to, if you purchased a model locally, and paid the local appliance store to deliver the unit to your home. So there is many financial gains, by buying new and used washers and dryers online.

Some and the new and used discounted washers and dryers for sale includes main brands such as GE, LG, and Maytag. The Washing machine review website at <http://www.washingmachinesreviews.com> also allows you to read reviews and compare some of the washers and dryers on line. The site doesn't not sell or represent any brands, but provides info and current pricing from many stores online, but in a single centralized location. This makes it easier for shoppers to research and compare prices on washers and dryers online.

###

Washing Machines Reviews is a online website at <http://www.washingmachinesreviews.com> and includes a one stop location to locate washers and dryers for sale, as well research and find reviews of popular brands online.
