They used to be at handmade USA section of the NYIGF in the early 1990's. They are happy to be back and take this opportunity to invite all of our customers to come see all their handmade jewelry bracelets and earrings. Since then they have been working very hard to expand our handcrafted artisan jewellery line and they are hoping that you will be pleased to see their handmade jewelry at the New York Gift show again.

At Copper Reflections, with their jewelry designs and our artisans' crafted jewelry, they have been aware of the importance of high quality, reasonable wholesale jewelry prices and the most unique jewelry. Copper Reflections artisans know that when all these conditions are realized in real life the business becomes success. Developing new handmade jewelry, handmade bracelets, handmade earrings become the fun part of making jewelry. Making new handmade jewelry designs and getting great reviews and complement from their customers have always encouraged these talented artisan to come up with more unique handmade jewelry ideas.

Copper Reflections has created the most unique handmade earrings. Inspired by the beauty of wildlife, nature and Native Peoples of North America, each piece is carefully designed and handcrafted especially for you. Their unique handmade jewelry is unusual as they are the only ones making this type of handmade jewelry using techniques and designs that they have developed over the years. All of their wholesale handcrafted jewelry and unique gift ideas are silver plated and individually diamond cut on copper jewelry and copper gifts. This handcrafted artisan jewelry was originated from an exclusive ancient copper craft. Each piece of the handmade jewelry and unique gifts has an acrylic coating to prevent copper from tarnishing, so no polishing or special care is required. Handmade bracelets, handmade earrings, handcrafted

necklaces, unique rings, chokers, pins, brooches, hair clips and lockets can all be made into matching sets. Many new designs and styles of handmade jewelry are planned for the upcoming months.
