

REPAIR 360 (Birmingham) Console Repair & Flashing Service

REPAIR 360 (Birmingham) is based in the heart of the Black Country where we specialize in Console Repairs & Flashing. We cover all areas of the West Midlands including Birmingham, Black Country, Wolverhampton and surrounding areas.

July 24, 2009 - [PRLog](#) -- We offer a professional Xbox 360 repair & flashing service and are very proud of our customer satisfaction record, we will always try to accommodate you.

Xbox 360 faults fixed including Red Ring of Death, E74, Freezing Graphics and weak lasers.

With all our 360 repairs we reflow the gpu and cpu and completely clean the interior and exterior of the case to help prevent future problems with your Xbox 360 console, all this for no extra cost!

Upgrade service available for all drive models including Hitachi, Samsung, Benq and Liteon. Latest upgrades applied. We put all our customers on our database so if there are any new drive upgrades you will always be one of the first people to know!

Refurbished Consoles are also available!

All repairs are normally carried out within 24 hours (dependent on parts) and come with a 30 day warranty!

Free courier service locally or drop offs welcome.

We can pick up / deliver further afield, please contact for pricing information.

We can now also upgrade Nintendo DS, please call or email for details.

For any other Xbox 360 related repair / upgrade we may have missed please call or email and we will try to accommodate you.

For a free quote or if you have any questions please call Adam on:-

07732 501 455

We look forward to hearing from you!
