Clay Aiken is an American pop singer who began his rise to fame on the second season of the television program American Idol in 2003. RCA Records offered him a recording contract, and his multi-platinum debut album Measure of a Man was released in October 2003. He released four more albums on the RCA label: Merry Christmas with Love, A Thousand Different Ways, and the Christmas EP, All is Well. His fourth studio album (the first album of original material since 2003's Measure of a Man), On My Way Here was released on May 6, 2008.

In the years following his American Idol appearance, Aiken has launched eight tours, authored a New York Times best-selling book Learning to Sing: Hearing the Music in Your Life with Allison Glock, and was the executive producer for a 2004 televised Christmas special, A Clay Aiken Christmas. He has been a frequent talk show guest, particularly on The Tonight Show and Jimmy Kimmel Live. He appeared as a guest star on Scrubs and participated in comedy skits on Kimmel, Saturday Night Live and 30 Rock.

Aiken created the National Inclusion Project (formerly the Bubel/Aiken Foundation) in 2003, accepted a UNICEF ambassadorship in 2004, and in 2006 was appointed for a two-year term to the Presidential Committee for People with Intellectual Disabilities.

Aiken made his Broadway debut playing the role of Sir Robin in Monty Python's Spamalot in January 2008. His run ended in May but he rejoined the cast as Sir Robin in September and remained through January 4, 2009.

Aiken stated in an April 2007 interview with People that he was looking at making a new album soon, and during his May 2007 appearance on Jimmy Kimmel Live, he mentioned that he was in Los Angeles interviewing producers for the new album. Aiken found a song, "On My Way Here", written by OneRepublic frontman Ryan Tedder, that struck a chord with him and became the inspiration for the album's theme in addition to the album title. On My Way Here was released May 6, 2008 on the RCA label. Mark 'Kipper' Eldridge is the producer.

According to an article posted on Billboard.com Aiken and RCA parted ways shortly after his On My Way Here album was released. Aiken's rep confirmed to People magazine that Aiken left RCA. A fifth album was released at the end of March 2009 on Sony's Legacy Recordings Playlist Series.
