

Beautiful Weather Forecast for BizMobile® and BlackBerry® Storm users!

By Jaime Zapata

Dated: Aug 10, 2009

Jackson, New Jersey, August 10, 2009 - VIGILUS, LLC announced that BizMobile®, a BlackBerry® application, built for ACT! for Lotus Notes is now available for the BlackBerry® STORM.

BizMobile® a BlackBerry CRM application built on the award-winning Vaultus Mobile Platform, allows ACT! for Notes® users to bi-directionally access, store and update critical business information (Contacts, Activities, Opportunities, Notes, etc) with ACT! for Notes®.

BizMobile® provides ACT! for Notes® users an amazing user interface with most of the functionality they are used to on the desktop version of ACT! for Notes®.

Critical Information When and Where You Need It.

With BizMobile®, vital and up-to-date information is at your fingertips at critical decision points, helping you to shorten sales cycles, improve hit ratios, increase revenues and lower the cost of sales. Stay connected to your office and your customers.

Organizations interested in learning more about the BizMobile® solution can call Sales at 203-312-9675 or email sales@vigilus.net.

BizMobile® is a registered trademark of Vigilus LLC.

ACT! for Notes is a registered trademark of Navagate, Inc.

BlackBerry is a registered trademark of Research in Motion, Inc.
