Once you know how to attract women it is very simple. You too can have women flocking around you. Follow these simple instructions to transform your love life.

A sense of humor is one of the most important facets of how to attract women. In a recent survey over 90% of women reported that they prefer a man with a good sense of humor than money or good looks, proving that you do not have to be Brad Pitt to be a success with the ladies. The trick to how to attract women is to be able to laugh at your self and not take things too seriously.

Mystery. How to attract women successfully requires you to maintain a bit of mystery. Girls love a challenge. Do not tell her your whole life story in the first 10 minutes. Leave her wanting more. It is vital when considering how to attract women to remember that.

Flattery. It is a crucial tactic in how to attract women to realize that all females love to be noticed. Take a good look at the girl and compliment her on something that she has obviously gone to trouble with. This may be her hair or her outfit, etc. No, it is not acceptable to compliment her on her magnificent cleavage. (Not on a first meeting.)

Personal hygiene is a must for how to attract women. The majority of women are turned off by smelly men. Clean teeth and nails, and the use of a good deodorant will go a long way in your campaign to how to attract women.

Listening sincerely and avidly is another vital component to how to attract women. This is a number one turn on for women. They cannot resist a guy who will really listen. Make it apparent that you are indeed listening and you will have her interest. Learning how to attract women is much easier than you think.

Don't be wussy. How to attract women is a cinch when you realize this strategy. Girls are subconsciously looking for a strong man. They do not want Mommy's boys or men who apologize every 10 seconds.

A little bit naughty. Ever looked in disbelief at the hot babes with the degenerates? Just look in the celebrity magazines for examples of this. Girls love a suggestion of naughtiness. Keep this in mind in your strategy how to attract women. This does not condone poor behavior, just a little hint.

Engage her mind. How to attract women is simple with this trick. No girl likes to think that a guy is just after her body. No undressing her with your eyes on a first meeting. Keep your eyes off her curves and on her face. Get her brain interested and her body will follow.

Appear bigger. Learning how to attract women is a breeze when you remember that a lot of dating rituals are subconsciously tied up with primitive times. The biggest strongest male was the pick of the bunch in cave man times. Stand up straight. Feet apart and hands on your hips will ensure that you take up more visual space. This is an easy tip in how to attract women.

Learning how to attract women is basically about engaging some of those primitive cave man tactics lurking beneath the surface.

You too can now have the women hanging off you. Use the guide and personalize it. Now you too know how to attract women.
