

Mobile Operator Seeking Strategic Investor

The Mobile operator in the Kingdom of Cambodia is seeking the strategic investor to work on its expansion of its network to cover the whole territory of Cambodia.

Aug. 19, 2009 - [PRLog](#) -- The only one CDMA mobile operator in the Kingdom of Cambodia is said to be seeking strategic investor for its expansion of its network to cover the whole territory of Cambodia.

Currently the company operating under "EXCELL" trade mark and offers services both voice and data, including EVDO (3G) Mobile Broadband services in Phnom Penh and surrounding province.

Commercial operations of the company started July 2, 2008 and during the first year of operations the company achieved outstanding results in attracting new subscribers. Total number of subscribers reached 40K subscribers. Furthermore, EXCELL's attractive rates are very popular among Mobile Internet and Mobile Broadband users. EXCELL offers one of the lowest and most reliable Mobile Internet in Phnom Penh. During the short period of time the Company earned it own market share in this highly competitive market.

Currently, the Company is said to be looking for future expansion of its network; therefore, is seeking strategic investor. The company decided to explore more opportunities in teaming up with new investor in order to capitalize advances of the CDMA technology, which offers lower operational cost, as well as faster deployment, fewer BTS compare to its GSM rivals.

It is said that interested parties can contact the company at +855 18 700017 or +855 18 700022.
